Dear Langlade County Board:

It is with regret that we inform you that at our December 10th meeting the Antigo Lines Club voted to discontinue hosting the Champ Off Road Truck Races at the Langlade County Fair grounds. Pursuant to this action, we wish to cancel our reservation for the use of the Langlade County Fairgrounds June 12, 13, and 14, 2026. We also request the return of the \$2500 deposit that was paid. We enjoyed hosting the races in the past and felt we facilitated an event that positively impacted our community. We always came close to breaking even financially, but last year we experienced a loss of \$2800 and feel we can not continue putting the financial stability of our organization at risk

Thank for your attention in this important matter:
