Langlade County Fairgrounds
Rules & Regulations

---

1. Event Advertising

- No permanent advertising unless approved.
- Temporary signs/banners are allowed during events and before events as approved by the Forestry Parks & Recreation Department and must be removed promptly after.
- Signs must be placed on boundary fences or other approved areas.
- Free-standing signs may be set up no earlier than the day before the event.

---

2. Grounds & Facilities

- Any permanent changes require prior County approval.
- Unapproved items left after 30 days may be removed by the County.

Electrical

- All electrical work must be approved and supervised by the Maintenance Department.

Tents & Setups

- Must be free-standing.
- No staking anywhere on the Fairgrounds
- No marking pavement without approval.

County Equipment

- Must remain on-site unless used by another County agency.

---

3. Parking & Traffic

- Park only in designated areas.
- Fire lanes must remain clear at all times.
- Event organizers are responsible for traffic flow.
- Multiple events may share parking—coordination with staff is required.
- Temporary traffic control may be arranged (fees may apply).
- Snow removal costs may be charged to event organizers.

---

4. Grandstand Rules

- Keep area free of flammable materials.
- Only electric-powered concessions are allowed (no propane).
- North and south gates to the grandstands must remain open during events.
- No smoking or vaping.

---

5. Sound Systems

- Only approved sound systems may be used.
- Systems must be supervised when in use.

---

6. Glass Containers

- Glass containers are prohibited anywhere on the grounds.

- Vendors must use non-breakable containers.
- Event organizers are responsible for enforcement.

---

7. Camping

- Fairview Campgrounds is available by reservation.
- Check-out time: **11:00 AM** (late fees may apply).
- Events holders may not restrict or charge entry fees to registered campers.

Campfires

- Only above-ground portable units are allowed.
- No fire pits permitted.

---

8. Dump Station

- Open 24/7 (North side of Livestock Pavilion).
- Cost: **$12 (self-serve)**.
- Area is under video surveillance.

---

9. Racetrack Rules

General

- Noise limit: **85 decibels at property boundary**. (User responsibility for monitoring)
- Must comply with local nuisance regulations. (see City of Antigo Ordinances)
- Organizers must control noise, dust, and hazards.
- All races must end by **10:00 PM**.

Track & Grounds

- Proper handling and placement of clay is required.
- Clean-up must be completed within **48 hours** (extensions possible).
- Includes all affected areas (tracks, stands, paved areas and nearby roads).

Equipment

- Organizers must arrange grading equipment (County may assist for a fee).

Closures

- Tracks may be closed at any time due to conditions.

Water Management

- Pumping water requires approval and designated discharge areas.

Insurance

- Activities must be covered by event insurance. (See Insurance requirements)
- **All damages are the responsibility of the event organizer.**

---

10. Animal Display Sanitation

Event organizers are responsible for minimizing disease transmission between animals and humans.

Basic Requirements

- Post warning signs at all entrances (animals present, disease risk).
- Attendance in animal areas is at visitors' own risk.

Food & Hand Hygiene

- No food or drink in animal areas.
- Food preparation/service must be separated from animals by a barrier.
- Provide handwashing stations (soap, water, towels):
    - At entrances/exits
    - Near food areas
- Encourage handwashing after animal contact.

Animal Safety

- Only healthy animals may be displayed.
- Public interaction must be supervised.
- Remove aggressive or unsafe animals immediately.

Cleanliness

- Remove waste, bedding, and feed regularly during events.
- After the event:
    - Remove all materials
    - Sweep and disinfect surfaces
- Follow requirements in the Livestock Pavilion Sanitation Policy.

General Safety

- Keep areas clean, dry, and well-ventilated.
- Avoid overcrowding and do not exceed buildings maximum occupancy.
- Follow all Health Department requirements.

---

11. General Admission & Safety

- Disruptive or illegal behavior may result in removal.
- Smoking is allowed only in designated areas.
- Pets must be leashed and supervised.
