NEWS RELEASE/ PUBLIC SERVICE ANNOUNCEMENT

DATE: February 20, 2026

From: Cody Brauner, Langlade County Assistant Forest Administrator

RE: LANGLADE COUNTY SNOWMOBILE TRAILS SCHEDULE TO REOPEN

ZONE A (North Forest Zone) OF THE LANGLADE COUNTY SNOWMOBILE TRAIL SYSTEM INCLUDING STATE FUNDED TRAILS ARE SCHEDULED TO REOPEN ON FRIDAY FEBRUARY 20TH, AT 12:00 P.M. (noon)

ATVs are **not** allowed on the trails when the temperature is above 28° F. **UTVs are not allowed on the Langlade County Snowmobile trail at any time system due to weight and width of the machines.**

The Langlade County Snowmobile clubs, sponsors and operators of the existing trails, have put in many volunteered hours brushing, signing, and grooming to provide snowmobile trails for your use. Please support the snow clubs, thank them for their efforts and patronized their business sponsors.

All lake trails in Langlade County are considered unsafe and should not be utilized until they have been clearly marked by a local snowmobile club. As always, the Langlade County Forestry, Parks & Recreation Department recommends riders stay on clearly marked trails, ride safe and ride "right".

The snowmobile clubs spend a considerable amount of time working with landowners to be able to provide the exceptional trail system we have. Please respect private property and the efforts of the clubs to access private property; use of trails across private lands is a privilege. **Always exercise caution when riding a snowmobile, due to recent warm weather, pockets of water are present throughout the trail system. Additionally, with recent high winds and wet snow, many trees/tops have come down throughout the trail system the snowmobile clubs have been out clearing trails, but riders are advised to use caution and be aware of changing conditions while on the trails.**

For questions regarding specific trail conditions please contact the local snowmobile club or visit their social media accounts or go to www.langladecounty.org/resources/trail-reports/. You may also contact the Forestry, Parks and Recreation at 715-627-6300.

We hope that you enjoy the Langlade county trail system this winter and thank you for supporting the economy and businesses of Langlade County!

Cody Brauner

Langlade County Forest, Parks and Recreation Assistant Forest Administrator
