**Veteran's Memorial Park and Jack Lake Campground Area closed to the public until further notice**

Effective today, April 4, 2025, Veterans Memorial Park and the Jack Lake Campground Area will be temporarily closed to protect users from potential hazards caused by the recent ice storm and to facilitate clean-up operations without interruption.

The storm has resulted in substantial tree damage and debris accumulation which makes many areas dangerous and it will take a substantial amount of time for the Department and to address the issue. An additional public service announcement will be released when the clean-up operations are complete and the park and campground are again safe for use.

We hope you enjoy recreating in Langlade County and thank you for supporting the economy and businesses of Langlade County!
