Type of Permit (check one): _____ **New** _____ **Replacement of Existing** (please attach copy of original)

Under the Langlade County Private Lands Access Policy as approved on July 13, 2022, I require the following permit for use of County roads/trails (check one):

_____ **Road (Driveway) Permit** to allow regular use of roads/trails to access my property by motorized vehicle- (road to be maintained as open when road conditions permit, open to public when open)

_____ **Temporary Permit** to allow use of roads/trails by motorized vehicles for maintenance or logging (road open temporarily) from the date of _____ to the date of _____ or _____ at a future point for activity. (I understand that by checking this category, roads or trails to my property that cross County lands may be blocked or restricted to motor vehicle use at the County's discretion at my own risk when a permit is not in place)

_____ **No Permit-** At this point I only access my property by walking and require no access by motor vehicles. (I understand that by checking this category, roads or trails to my property that cross County lands may be blocked or restricted to motor vehicle use at the County's discretion at my own risk.)

_____ **No Permit-** I have a documented access to a public roadway or a legal recorded easement across County Property which is attached. (I understand that by checking this category and not including legal documentation, roads or trails to my property that cross County lands may be blocked or restricted to motor vehicle use at the County's discretion)

_____ **Access Exchange:** I qualify for a no fee permit because I allow County use of my road/trails in Sections _____, Town _____ North, Range _____ East for (check all that apply):

_____ public access to County Forest Lands

_____ department and logging access to County Forest Lands

_____ County sponsored Snowmobile or ATV Trails (circle trail types)
